

This open-world cooperative FPS shooter is all about vehicular mayhem. Two soldiers navigate a jungle environment in their modified JEEP, capturing enemy encampments. Players must always keep an eye on their partner's vitals & equipment in order to survive the steep challenge.

Radar - Shows objective, enemy & partner locations.

Player Health - This segmented bar is upgraded over time.

Player Shield - This body armor permanently degrades, and must be repaired in the field.

Partner Health & Shield - Should be less prominent than player health.

Reticle - Should clearly display ammo remaining for equipped weapon.

Weapons - Each player can hold 2 weapons; pistol & assault rifle. Must display ammo remaining even when stowed.

Jeep Health - The jeep's engine can be damaged: Green = Healthy, Orange = Caution, Red = Disabled

Tire Health - The Jeep's tires wear out individually over time: Green = Healthy, Orange = Caution, Red = Punctured

Healing Item - Each player carries a healing item - includes various medicines & gear repair kits.
